MEMORANDUM TO: TALENT Control Officer

REFERENCE : TCS-359-56, 7 Nov. 1956

1. Operations concurs with referenced memorandum and will make subject information available to HTAUTOMAT liaison representative on a daily basis.

25X1A2g

2. It is requested that inasmuch as HTAUTOMAT now has an established communication channel to [REDACTED] that the HTAUTOMAT representative be responsible for furnishing this data to that organization as well as to the Paramount Committee.

25X1A2d2

3. Due to transportation problems involved, it is emphasized that with regard to missions out of [REDACTED] any information as to the day and hour at which the film will be available to the processing center will be purely an estimate. This situation will, of course, be alleviated when the second processing unit has been established at [REDACTED]
